CORPORATE GOLF DAY PACKAGES

Make your company golf day a huge success with our fully inclusive and fully managed great value golf packages starting from just £54 per person.

What's included:

- Private room for your morning registration
- Display of your company banners on the course
- Complimentary prize for your golf day
- Private room for dining and presentation of prizes

Take the hassle away and let us organise and manage your golf day.

On your behalf, and included within the package price we will:

- Prepare scorecards with players names, handicaps, tee times and competition format
- Meet your guests and check their handicaps
- Conduct a welcome briefing about the course, timings, competition and scoring
- Be a starter on the tee to ensure a smooth start, along with advice for your guests
- Issue and collect scorecards from all players
- Check all scorecards and produce a comprehensive results sheet
- Prepare on-course competition markers with your company logo
- We will even send you information to help you collect relevant information from your attendees

The below packages are our most popular but we are happy to discuss alternative options, as we can be extremely flexible to ensure your golf day is a success.
